PROFESSIONAL SUMMARY

PGDM (Finance) student at FIIB with a BBA in Marketing and four internships and volunteering stints in events, social media and community outreach. I bring structured problem solving, research and frameworks like PESTLE, Porter's Five Forces and TOWS, along with a record of smooth execution. I am looking for a strategy, consulting or finance role where I can turn data and evidence into clear business decisions.

EDUCATION

PGDM, Finance, Fortune Institute of International Business, New Delhi **2026 to 2028**

BBA, Marketing, Graphic Era Deemed to be University, Dehradun | CGPA: 8.7 **2021 to 2024**

WORK EXPERIENCE / INTERNSHIPS

Event Management Intern, Sports For All **Oct 2023**

- Cut participant queries on event day by about 30% by preparing clear instruction sheets and event materials for 150+ attendees.
- Delivered a smooth check in for 150+ participants by managing registration end to end and resolving queries on the spot.
- Improved planning for the next event by reviewing event logs and flagging three areas to fix.

Social Entrepreneurship Intern, Hamari Pehchan NGO **Aug 2023 to Sep 2023**

- Raised social media engagement by about 25% by designing and running campaigns with a team of four.
- Shaped the next campaign calendar by researching content trends and audience interests across 10+ similar NGOs.
- Kept outreach on schedule by handling the NGO's email communication and daily research support.

Event Management Volunteer, Doon Music Festival (GRAFEST) **May 2023**

- Ensured on time delivery of all activities at the university's flagship fest by supervising ground logistics for 1,000+ attendees.
- Secured approvals faster by co-writing detailed event proposals with the organising team.

Event Management Intern, Sports For All **Dec 2022**

- Reduced event day confusion by about 25% by creating instruction material for 100+ participants and overseeing registration.

KEY PROJECTS

Capstone Project: AI Decision Support for Infrastructure Risk **2026**

- Built an evidence grounded AI chatbot that helps assess infrastructure risk and compare trade offs, using infrastructure, market and regulatory data on rising compute costs and cloud dependence.

COMET Business Analysis | PESTLE, Porter's Five Forces, SWOT/TOWS **2026**

- Turned a business environment and competitor study into a TOWS based strategic view and an original visual artifact.

Field Research: Mall Immersion | Primary Research, Observation **2026**

- Compared brand positioning and customer experience of Nike, Adidas and New Balance across two malls by interviewing salespersons, store managers and customers.

KEY ACHIEVEMENTS

- Selected for the Corporate Mentorship Program (CMP) and mentored by Bikash Mishra, CFO, Umeed Finance.
- Coordinated registrations across four internships and volunteering roles with zero major escalations.
- Certified in Marketing Analytics by Semrush Academy (2024).

POSITIONS OF RESPONSIBILITY

Co-Founder, Graphic Era Socially Responsive Club (GESRC) **2021 to 2024**

- Led planning and coordination of student driven social awareness initiatives from research to execution.

Organising Committee Member, Entrepreneurship Development Cell **2021 to 2024**

- Supported planning and execution of entrepreneurship events for students.
